- 2.2. Advance bookings are not valid until you have received confirmation from us by email or text message (SMS).
- 2.3. Advance bookings are made using the information that you provide. If, on arrival, this information is discovered to be incorrect we will try to accommodate you on site but if this is not possible the booking will be deemed invalid.
- 2.4. When booking a vehicle pitch you must tell us the length of your unit. All of our vehicle pitches are 3m wide which means that car+caravan units must park in line (they cannot park side-by-side). All vehicle pitches are at least 9m long. We have a limited number of vehicle pitches that are 13m long. If your car+caravan unit is longer than 13m we may be able to accommodate you but additional charges may apply. - 2.6. Whenever an advance booking is deemed to be invalid we will help you to make other arrangements.
- 2.7. If any members of your party have restricted mobility (e.g. use a wheelchair) you must tell us at the time of making the booking. If you fail to tell us in advance of any such needs we may not be able to accommodate you and your booking may be deemed invalid.
- 2.8. There is a limited number of parking spaces on site. When booking a tent pitch you must tell us if you are bringing a vehicle (including motorbike). If you fail to tell us this in advance you may have to park your vehicle off-site.
- 2.9. The deadline for checking-in on arrival is 9pm. If you are running late please inform the duty warden by telephone. The site is closed to vehicles at 10pm. If you arrive with a vehicle after this time we may ask you to park in the service bay overnight instead of your vehicle pitch or parking space.
- 2.10. Payment must be made in full at the time of booking for the advance booking to be valid.
- 2.11. Cancellation of an advance booking more than 14 days in advance of the arrival date will qualify for a full refund.
